Hi Laura,

Great to hear from you, and I hope you are doing great too! This hasn't actually been transferred to the PCI group yet so Jen can provide access. I've copied her to get that started.

Thank you,

Bob

Hello Bob!

It has been a long time since we last spoke (I recall first meeting you at an ODEQ meeting for the Portland Manufactured Gas Plant last year) and I hope that you are doing really well!

I have a (hopefully quick) question about the LWG Portal. Sean mentioned to me last year that the PCI group would be taking over the LWG Portal contract and that users

would still be able to access the database. However, I recall Sean also mentioning that new users would need to contact someone to gain access to the LWG Portal.

Would it be possible for me and Sean and also Eric Blischke (copied – with CDM-Smith) to gain access to the LWG Portal? If so, is there someone I should contact so that we may have access?

Thank you in advance for your consideration and help in this matter! Please feel free to call me with any questions or if you would like to discuss (206-553-1838).

Thanks again,
